

FLEETRITE®

BRAKE DRUM FLT4400B

Parts fit to perform

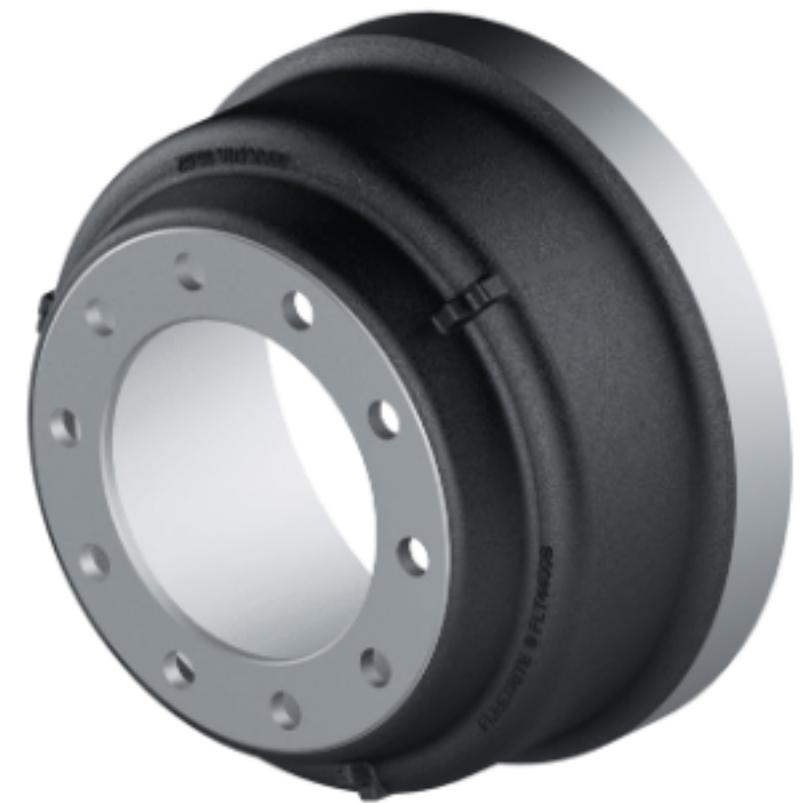

Not all brake drums are created equal. Fleetrite® FLT4400B brake drums offer a high-quality, cost-effective solution designed to fit International®, IC Bus, and a variety of other makes and models.

Features

- Quality assurance: Aftermarket quality tested.
- Easy replacement: Fully interchangeable with many competitive Original Equipment Manufacturer (OEM) and aftermarket drums.
- Multiple applications: Truck, tractor, and trailer.
- After sale support: Confident in the quality and performance of our Fleetrite drums, we stand behind a 1-year parts and labor warranty when installed at an authorized International dealer.
- Built to last: Constructed from high-quality material to withstand the rigors of the road.
